

SUGGESTED PACKING LIST

For Wilderness Camp

Please use the following as a guide for packing. Twin Peaks Bible Camp will supply tents, food, cooking gear, tarps, first-aid, and other group gear. You need to bring your own pack, sleeping bag, and clothing. We suggest the following:

- **Bring appropriate clothing.** Avoid 100% cotton clothing because it performs poorly in the high-elevation environment. Use cotton/polyester blends or nylon pants instead of blue jeans. Also, PolarTec or polyester fleece are better for the trip than cotton sweatshirts (it can get COLD at night).
- Keep the toilet kit small. We will not be washing with soap in open water, and most students have found soap to be unnecessary. A toothbrush and toothpaste, comb or brush, personal medications, and contact lens supplies, if needed, will be all you need. Woman anticipating “feminine needs” during the trip should bring several sheets of paper from a magazine and small Ziploc bags. The magazine sheets will be used to wrap items before putting them into a Ziploc bag, which will be placed in the group garbage at the end of each day.
- As with any camping trip, avoid unnecessary weight or bulk. Roll clothes to maximize space. Pack belongings in Ziplocs within your pack as rain or a dunking is always a threat. You’ll need space in your pack for group gear and food, so do not pack to the brim. Remember you will be carrying your own gear so make sure your pack is a manageable weight.
